

OUTMET SCORES 77 IN FIRST ROUND FOR BRITISH GOLF TITLE

Champion Position in Competition Is Satisfactory—Weber and McDermott in Tourney.

TROON, Scotland, June 11.—Play opened here to-day for the qualifying rounds of the British open golf championship. The entries totalled 198, and among them were three American players—Francis Outmet, American open champion, Woodland Golf Club, Massachusetts; John J. McDermott, former American open champion, Atlantic City, N. J., and Harold Weber of Toledo.

The British contingent includes a number of champions and former champions, both amateur and professional, including Harry Vardon, Edward Ray, James Braid, George Duncan and J. L. C. Jenkins, while the French players are represented by Arnaud Masey and Jean Gasciat. Outmet was one of the early starters and the keenest interest was shown in the play of the young American, who recently won the French amateur championship. He was followed by a gallery of 500. He did the first nine holes in 40 strokes and completed the round in 77.

On the outward journey Outmet continually pulled his tee shots. On the way home, however, he showed marked improvement in his driving, but he missed several putts and his pitching was indifferent.

With his score of 77, Outmet's position in the competition thus far is quite satisfactory, as the leading score on the municipal course over which he played the morning round was up till 2 o'clock this afternoon the 75 of H. Goudin, while the leading score on the No. 1 or Old Course, was 78 by Harry Vardon.

Later in the day John Henry Taylor, holder of the British open championship, displaced H. Goudin for leading place in the score over the Municipal Course, which he completed in a splendid 78.

The arrangement for the qualifying matches is that all competitors play two rounds of eighteen holes each, one of the rounds on the old Troon course and the other on the Troon municipal course, both of them lying along the seashore on the west coast of Scotland. The 100 players returning the best scores in the qualifying rounds are to play on June 18 and 19 in the championship itself, which will take place at Prestwick, a contiguous course on the Ayrshire coast. In the championship 72 holes are to be played in four rounds of 18 holes each.

WORLDWIDE AID FOR BIRDS.

PARIS, June 11.—Determination to bring pressure to bear upon the various Governments to call an international conference for the protection of

birds useful to agriculture was expressed at the final meeting to-day of the International Congress of Plume Dealers. Such action would mean protection of the feather dealers.
